

JOHN 5:1-15 –“DO YOU WANT TO BE MADE WELL?”

Bethesda means “house of \_\_\_\_\_”.

In the midst of people being healed, some weren't. This is important. I pray Open Door will be a Bethesda - a place of \_\_\_\_\_ and healing.

Here are the principles we learn from this passage to receive the help we need:

**I. I MUST \_\_\_\_\_ HELP - v. 6**

By the way, you can't help people who don't \_\_\_\_\_ help!

**II. I MUST \_\_\_\_\_ CHRIST**

This does NOT mean that we don't seek counseling (assuming it's Biblically sound), or that we don't go to support groups (they can be vital in recovery), but it does mean that none of those things can substitute for Christ.

**And when we trust Him, we learn the next lesson:**

**III. JESUS GIVES POWER TO THOSE WHO TRUST HIM, BUT MY TRUST COMES \_\_\_\_\_ Isa. 40:29**

There will always be people telling you you did it wrong! v. 9-11.  
Don't listen to the critics!

**And, in all this, we need to remember that**

**IV. JESUS WHO IS THE HEALER IS ALSO THE \_\_\_\_\_ - v. 14**

Not all sickness is the result of \_\_\_\_\_, but some is.

Will He have to ask, “Why didn't you let me help you?”

CONCL. \*\*What need is in your life today?

\*\*What has God told you to do about it?

\*\*What will you do about it? Do you want to be made well?

\*\*Why are you still waiting? What are you waiting for?

\*\*At some point, if you want to be made whole, you have to stop waiting and start doing what God has called you to do!
